NEW HEIGHTS SCHOOL

Creativity at its Best: Soft Board Decoration Highlights!

Our school corridors have completely transformed into vibrant galleries of imagination and talent! A huge congratulations to all the brilliant classes and dedicated teachers who put their hearts into decorating the soft boards today. Here are the standout winners and mentions for today's soft board display:

- **Class Soft Board Decorations:**

Primary School: Class II-A, Junior School: Class III-B, Middle School: Class VII-A, Senior School: Class X-B, Senior Sec. School: Classes XI-B, XI-C, & XII-B

- **Teacher's Soft Board Masterpieces:**

Pre-Primary: Ms. Vibha, Primary School: Ms. Sakshi, Junior School: Ms. Shivani, Middle School: Ms. Tripti, Senior School: Ms. Pratibha

Space Explorer and Little Astronauts, Big Discoveries at New Heights School!

Our PG, Nursery, and KG space explorers took a giant leap into the cosmos today! The classroom transformed into a starry galaxy as our little ones had so much fun with hands-on star stamping and creative galaxy art. Our tiny New Heights astronomers are ready to touch the stars.

No bag Day and Eco Club Poster Making Activity Grade III to V

No Bag Day for Grades III to V was a refreshing blend of fun, creativity and experiential learning. Students participated in engaging activities beyond the routine classroom environment. As part of the Eco Club Poster Making Activity, they created vibrant posters conveying meaningful messages about environmental conservation, sustainability and responsible living. The activity nurtured creativity, awareness and teamwork while inspiring young learners to become responsible stewards of the environment.

Inter-house Stem challenge day

Stem Arena

Grade III to V

The Inter-House STEM Challenge Day for Grades III to V was an exciting celebration of scientific thinking, creativity and teamwork. Students enthusiastically participated in engaging challenges that tested their problem-solving skills, innovation and logical reasoning. The event witnessed remarkable enthusiasm and healthy competition among all four houses. Emerald House emerged victorious, followed by Ruby House in second place, Pearl House in third and Sapphire House in fourth.

Road Safety Special Assembly

A Road Safety Special Assembly was organised by the students of Grades VI to VIII to spread awareness about responsible and safe behaviour on the roads. The students presented an impactful skit, highlighting common road-safety concerns and the consequences of careless behaviour. They also delivered an informative speech and presented a meaningful poem, reinforcing the importance of following traffic rules. Through their confident performances, the students conveyed the message of wearing helmets and seat belts, obeying traffic signals and being vigilant on the road. The assembly inspired everyone to become responsible and safety-conscious citizens.

Inter-House Fysion Dance Competition

New Heights School hosted the Inter-House Fusion Dance Competition for Classes IX–XII on the captivating theme “India at a Glance.” The stage came alive with vibrant colours, rhythmic beats, and spectacular performances celebrating India’s diverse culture, traditions, and heritage. Students mesmerised the audience with their energy, creativity, synchronisation, and graceful movements, beautifully blending traditional and contemporary dance forms. Emerald House emerged victorious, while Ruby House secured second position and Pearl House claimed third, making the event a memorable cultural extravaganza.

Inter-House Fashion Show Competition

New Heights School hosted a vibrant Inter-House Fashion Show Competition for Classes VI–VIII, celebrating the diverse spirit of India. The themes—Viksit Bharat, Veer India, honouring the valour of Indian patriots, and Festivals of India—came alive through creative costumes, confident ramp walks, and captivating presentations. The event beautifully blended tradition, patriotism, and contemporary expression. Emerald House secured the first position, followed by Pearl House in second and Ruby House in third, making it a memorable celebration of India's rich heritage.

Art Presentation Eco-Friendly Craft

An engaging Eco-Friendly Art & Craft Presentation was organised for the students of Classes III–V to nurture creativity and environmental awareness. The young artists enthusiastically showcased their imagination through colourful posters, beautiful paintings and creative craft items made using eco-friendly and reusable materials. The activity encouraged students to express their ideas while learning the importance of reducing waste, reusing resources and protecting nature. It was a wonderful blend of creativity, sustainability and meaningful learning.

Parent-Teacher Meeting

New Heights School organised a Parent-Teacher Meeting on Saturday, providing a meaningful platform for parents and teachers to connect and discuss students' academic progress. During the meeting, teachers shared the PT-I answer sheets with parents and explained the students' performance, strengths, and areas that needed further attention. Parents also discussed their children's studies and received valuable guidance from teachers on how to support their learning at home. The interaction reflected the school's commitment to working closely with parents to ensure the overall growth and academic development of every student.

Chemistry Project Exhibition

STEM Project Exhibition

The STEM Project Exhibition showcased the creativity, curiosity, and innovative thinking of our students. The exhibition featured a variety of interesting models and handmade projects, including the Respiratory System, Neuron Model, handmade soaps, candles, and other creative science-based products. Students enthusiastically presented their projects and explained the concepts behind them, demonstrating how Science, Technology, Engineering, and Mathematics (STEM) can be connected with creativity and real-life applications. The exhibition provided students with an engaging platform to explore, experiment, and learn through hands-on experiences.

No bag Day and Kaushal Bodh Activity Grade VI to VIII

New Heights School organised an engaging No Bag Day for Classes VI–VIII, in alignment with the experiential learning approach of CBSE Kaushal Bodh. The day provided students with meaningful opportunities to learn through hands-on experiences, creativity, and physical activities. In Science, students explored the mechanism of a bicycle, understanding how its various components work together. Their artistic spirit came alive through an exciting Tie-and-Dye Art & Craft activity. A lively Basketball session further enhanced their physical fitness, coordination, agility, and teamwork. The enriching day encouraged curiosity, creativity, practical skills, and holistic development, making learning joyful and memorable.

New Heightians Making Waves at the District Level!

Our incredible young swimmers from New Heights have brought home ultimate glory at the District Level Swimming Championship held in Lucknow!

These talented athletes trained hard, dove in with determination, and absolutely dominated the pool. Join us in celebrating our champions: Under 9 Category Anubhav: Gold (25m Freestyle) & Silver (25m Backstroke) Lakshya Verma: Silver (25m Breaststroke) & Silver (25m Butterfly) Under 11 Category Adarsh Kumar: Silver (50m Freestyle) Under 11 Relay Champions Gold Medal in the 50x4 Freestyle Relay! Spectacular teamwork by Adarsh Kumar, Lakshya Verma, Anubhav, and Atharva Sharma! A massive congratulations to all our young champions, their proud parents, and our dedicated coaches! This is just the beginning of many more heights to conquer.

Heroes of the Nation Independence Day

On the occasion of Independence Day, the PG to KG Wing celebrated the spirit of patriotism through a special activity, “Heroes of the Nation.” The young learners dressed up as doctors, judges, soldiers, teachers, police officers and other inspiring professionals. The activity encouraged them to dream big, respect every profession and understand their role in building a strong and progressive nation.

Little Hearts, Big Patriotism!

The campus of New Heights School was filled with tricolour pride as our Playgroup to Class II students celebrated Independence Day!

The morning was filled with joy as our little ones recited beautiful poems and delivered sweet, heartfelt speeches about our country. The air echoed with melodious patriotic songs sung by our tiny tots.

The excitement reached its peak with lively dance performances! The children looked wonderful grooving to patriotic beats in their vibrant outfits.

Our respected Principal shared a beautiful thought: "True freedom begins with love and kindness. By teaching these values today, we build a brighter India for tomorrow."

Happy Independence Day to all from the New Heights School family!

INDEPENDENCE DAY CELEBRATION

Today, the campus of New Heights School echoed with patriotic joy as we celebrated India's 80th Independence Day! The morning began with a grand flag-hoisting ceremony led by our Respected Principal, Mrs. Vinita Dhankar. As the Tiranga unfurled, our hearts filled with deep gratitude for our nation's heroes.

The celebrations then came alive with a spectacular cultural program centered around the theme of Yuva Shakti, showcasing the raw power, ambition, and hope of India's youth. Our students took over the stage with immense energy, presenting a beautiful blend of soulful patriotic songs, vibrant dances, inspiring speeches, and moving plays that beautifully captured the spirit of freedom and unity. From powerful theatrical acts to rhythmic traditional dances, every single performance reminded us that the future of India is in bright, capable, and passionate hands

Budget my month VI to VIII

The “Budget My Month” activity provided students with an engaging, real-life experience of financial planning and money management. Working in teams, they navigated different counters representing everyday expenses, banking, groceries, leisure and unexpected situations. With a fixed monthly income, students learned to balance needs, savings, investments and emergencies. The activity strengthened their decision-making, prioritisation and financial prudence, helping them understand that effective money management is essential for building a secure and responsible future.

Data handling

Grade IX to XII

Data Handling Activity was organised to integrate Mathematics and Computer Science through an engaging five-round challenge. Four teams participated, with each round providing a two-digit number upon successful completion. The five numbers were combined to form a 10-digit password. The team that discovered the correct password first was declared the winner. The activity encouraged teamwork, logical thinking, problem-solving, and effective application of concepts in an exciting and competitive environment.

Obstacle Race of Grade I and II

The Obstacle Race for Grades I and II was an exciting blend of fun, fitness and adventure. Our young participants enthusiastically navigated a series of age-appropriate obstacles, demonstrating agility, balance, coordination and perseverance. Their cheerful spirit and determination made the event truly vibrant and memorable. Beyond competition, the activity encouraged teamwork, confidence and sportsmanship, while promoting the importance of physical fitness and an active lifestyle among our young learners.

Act and Perform English Benchmark

“Act and Perform” activity, conducted as part of the English Benchmark for Grades III to V, provided students with an engaging platform to showcase their language and performance skills. Through role-play and dramatic presentation, students brought stories to life with expression, confidence and creativity. The activity enhanced their speaking, listening and communication skills, while fostering teamwork, imagination and a deeper understanding of characters, emotions and narratives.

HANDPRINT RAKHI CARD ACTIVITY GRADE I & II

The Handprint Rakhi Card Activity for Grade I & II was a delightful celebration of creativity, love and sibling bonding. Students used their colourful handprints to create beautiful and personalised Rakhi cards. With enthusiasm and imagination, they explored colours, patterns and artistic designs while strengthening their fine motor skills and hand-eye coordination. The activity also helped children understand the significance of Raksha Bandhan and express affection, gratitude and togetherness through their creative work.

BALLOON INFLATING ACTIVITY - GRADE II

The Balloon Inflating Activity for Grade 2 was a fun-filled and engaging learning experience that encouraged students to explore, observe and experiment. With great enthusiasm, the young learners participated in inflating balloons while developing *hand strength, coordination and concentration*. The activity also promoted curiosity and confidence as students enjoyed learning through play. It provided a joyful opportunity to enhance motor skills, teamwork and active participation in a lively classroom environment.

Toy Exploration Day

Caterpillar Craft with Balloons

Toy Car Race P.G. to KG

A series of fun-filled activities—Toy Exploration Day, Caterpillar Craft with Balloons and Toy Car Race—was organised for the young learners of P.G. to KG. The children explored different toys, created colourful caterpillars using balloons and enthusiastically participated in the toy car race. These engaging activities provided joyful hands-on learning experiences while developing their creativity, fine and gross motor skills, coordination, concentration and social skills. The little ones participated with great excitement and enjoyed learning through play.

Rakhi Making Activity

P.G. to KG

A colourful and creative Rakhi Making Activity was organised for the young learners of Classes PG–KG. The students enthusiastically participated in making beautiful Rakhis using colourful threads, beads, ribbons and decorative materials. The activity provided them with an opportunity to explore their creativity while understanding the significance of Raksha Bandhan and the beautiful bond of love, care and affection between brothers and sisters. The little ones enjoyed the activity and proudly displayed their handmade Rakhis.

Maths Benchmark Activity (Measurement and Fun Lab) Grade I and II

The Maths Benchmark: Measurement & Fun Lab for Grades I and II transformed mathematical concepts into an engaging, hands-on learning experience. Students explored length, height, weight and capacity through interactive activities and practical experiments. By measuring and comparing everyday objects, they developed accuracy, logical thinking and problem-solving skills. The activity made mathematics enjoyable and meaningful, encouraging young learners to discover that numbers and measurements are an integral part of everyday life.

National Sports Day

National Sports Day Celebration

National Sports Day was celebrated with great enthusiasm through a special assembly showcasing the spirit, energy and importance of sports. Students of Classes VI–XII presented an engaging act highlighting various sporting disciplines, including hockey, cricket, martial arts and other popular games. The performance beautifully portrayed teamwork, discipline, determination and sportsmanship. The assembly inspired students to embrace an active lifestyle and reminded everyone that sports play a vital role in building confidence, resilience and a healthy mind and body.

New Heightians Shine at the CBSE Sports Cluster Events!

Inter-School Tournament

Our talented New Heightians proudly participated in the CBSE Inter-School Tournament, held from 30th July to 2nd August 2026 at Ajmani International School, Lakhimpur Kheri. Our Boys & Girls Basketball, Table Tennis, Volleyball, Football, and Swimming teams showcased remarkable teamwork, dedication, sportsmanship, and competitive spirit. We are proud of our athletes for giving their best, embracing challenges, and making the school flag fly high!
